

Complete this drill by drawing and placing one shot at a time in five targets, totaling ten shots in each. Then, put one shot in each square. In total, it's fifty shots with draws and reholsters. Maintain a continuous pace for the first three circles, and complete all shots within 2.5 seconds for each phase. Line breaks are not allowed on the first 3 circles. Retry if needed.

*WHAT YOU NEED: A GUN AND HOLSTER, 50 ROUNDS, SHOT TIMER.*
